Dear Parashakthi Eternal Mother Temple Worshippers,

Congratulations on celebrating the Maha Kumbabhishekam and opening of the grand monumental Rajagopuram. I am pleased to recognize the hard work of the congregation which has drawn its inspiration from Goddess Parashakthi in constructing this new architectural wonder. The significant role played by the Parashakthi Eternal Mother Temple in shaping the intellect and character of young people who will become our nation's great leaders is remarkable. The investment in world peace and protection will have a lasting impact in our country for years to come.

The Parashakthi Eternal Mother Temple affords me the opportunity to celebrate the work of the congregation and its efforts to honor the Universal Divine Mother, by the opening of the Rajagopuram, during the Maha Kumbabhishekam. It is my privilege to honor the opening of the prestigious and massive Rajagopuram, which will include nearly 520 Cosmic forces of highest energies, with an objective for world peace and protection from Asuric (demonic) activities.

I am grateful to have friends and constituents in Michigan's 14th Congressional District that are devotees at the Parashakthi Eternal Mother Temple and for their commitment to the pursuit of global peace, and harmony. As The Parashakthi Eternal Mother Temple celebrates this cultural occasion, I am confident the extraordinary mission and mentality of this outstanding congregation will continue for generations.

Warm Regards,

Brenda L. Lawrence  
Member of Congress
